To the parents of welcome classe's students 2023-2024

Hello,

We will be happy to welcome your child to Iona School for the next school year. Your child's teacher will call you to set up an individual meeting to be held on Monday, August 28th. We are counting on your presence with your child in order to prepare well for entering school.

For the first day of school, Tuesday, August 29th, your child will be expected in the schoolyard at 9:30 am. We will be holding a parent meeting which will end around 10:30 am. The children will be in class until 4:11 p.m., according to the school's regular schedule.

As of Wednesday, August 30th, the regular school hours will be 9: 00 to 12: 10 and 13:25 to 16:11. Note that supervisors will be on the schoolyard from 8:55 am. Don't bring your child before 8:55 am.

IMPORTANT: The day care service will be available from August 29th for the students who are registered there. Please contact our manager, Ms. Bruna Roti, in order to register your child. You can contact her at 736-3535, extension 8182.

School transportation service will begin on August 29th. The distance between school and home determines whether the child is entitled to school transportation (1st grade: 1.2 km and over; 2nd to 6th grade: 1.6 km and over).

The CSSDM will send you an email via Mozaïk if your child is eligible for school transportation. The bus card will be given to your child to the first day at the school.

In collaboration,

Alain Rouillard
Principal
