To parents of students in specialized classes 2023-2024

Hello,

We will be happy to welcome your child to Iona School to start the next school year, Monday, August 28, 2023, at 9:00 am in the school yard.

Please note that for the first two days of school, students will be phased in. The regular schedule will begin on the third day of school, Wednesday, August 30, 2023.

Monday, August, 28th	9 :00-12 :00	No school in PM (day care available)
Tuesday, August 29th	9 :00-12 :00	No school in PM (day care available)
Wednesday, August 30th	9 :00-12 :10	13 :25-16 :11 (regular schedule)

The school bus service will begin August 28th. The students entitled to it are those living more than 1.6km from the school. The transport company will contact you to inform you of the time when the bus will pick up your child, as well as the location of the stop. Transported students must be registered for dinner service since they will be dining at school.

During the first two days of school, you must pick up your child to the principal entrance at 12:00. We suggest that you keep your child at home for both afternoons to ease the transition to his new school. Note that there will be no school transportation at the end of the day.

If you can not pick him up at school at 12:00, you must come to register your child at the daycare. Please note that Ms. Bruna Roti, Childcare Manager will be on vacation from June 26th to August 11th. You can contact her at 736-3535, extension 8182.

In collaboration,

Alain Rouillard  
Principal
