canadienne  
du cancer

Dear parents,

**Iona School** would like to launch the Trottibus Walking School Bus, in collaboration with the Canadian Cancer Society, to help promote active transportation.

**The Trottibus is a walking school bus** that helps elementary school children walk to school together in the morning, accompanied by volunteers.

**Thank you for completing this short survey.**

Don't live walking distance from school? Note that you can drop your child off on one of the Trottibus routes, allowing him/her to get some exercise before getting to school.

## Answer the survey

What are some of the benefits of the Trottibus Walking School Bus?

- Increase concentration in class
- Become a responsible pedestrian
- Integrate physical activity into your daily routine
- Develop a network of collaboration with other parents
- Reduce car traffic around the school

For more information, visit [TROTtIBUS.CA](https://www.trottibus.ca)

Thank you for your collaboration!
